Dear Rev. Lim,

With a grateful heart I acknowledge receipt of your informative letter and the \$250.- gift check enclosed in it. I continue to pray for TCCNA, your association with it, and the people of Taiwan. May the good Lord guide the destiny of the island and hear the earnest prayers of His faithful servants.

I had the privilege of being a fellow missionary prof when the late Wogstad was connected with Taiwan Theological College. His son used to be in my late wife's musical programs during his stay in Taiwan with his parents.

Praise the Lord for giving me another year of life here on earth. I am now 97 years of age and still fairly healthy. Some of the members of the Taiwanese congregation in Arcadia are so kind as to offer transportation for purposes of attending church services and doing some personal errands.

I wish you and your family a Merry Christmas and a prosperous God-blessed New Year.

Sincerely yours,

Hiet Han Jan
